

## WORKSHEET 3 – SWEDEN

### CULTURAL VALUES

Look at the following statements and mark them according to which one you agree with, on each number. Then explain why you answered the way you did. If you feel that you are in between the answers, mark them both and explain why. Discuss and compare your answers in the group, and see if it helps you understand cultural differences.

**1. Life is what happens to me/Life is what I make it.**

---

---

**2. Competition brings out the best/Cooperation is the best way to get things done.**

---

---

---

**3. Change is good/Tradition is important.**

---

---

---

**4. People should tell it like it is even if it hurts/Maintaining harmony is important even if it means not telling the complete truth.**

---

---

---

**5. Group membership is essential for my success/I don't need to belong to a group to be successful.**
